

# It's a FANTASTIC FEBRUARY for Middle School Fellowship at First Baptist Church!

Sunday, February 3rd

Super Animal Bowl!

**SPECIAL TIME: 1 p.m. – 3 p.m.**

It's Super Bowl Sunday, and we're getting in the spirit – of the Puppy Bowl, that is! We'll meet, together with Senior High, at a special early time, to kick-off the afternoon with a Fellowship Bowl of Animal-Themed games, Middle School versus Senior High! Then, at 2:00, we'll welcome some actual animals to come celebrate with us, as Curious Creatures arrives to introduce us to all kinds of creatures, great and small! As always, friends are welcome to come along for the fun! Pick-up will be at 3:00 p.m. to ensure that you can get home before the Patriots take the field (or before any parties you/your families might be hosting or going to!) for the big game!

Sunday, February 10<sup>th</sup>

Laser Quest

**SPECIAL TIME: 3:30 p.m. – 6:00 p.m.**

We'll meet SLIGHTLY earlier than usual, just to make sure that we can get on the road and get to Laser Quest in Danvers in time to get in two games of laser tag! Please make sure to bring \$15 to play (we can offer financial assistance if needed, as always!) and come ready for some fast-paced fun! We will be back at the church by 6:00 p.m. for pick-up.

Sunday, February 17<sup>th</sup>

School Vacation Movie Mode

**Parent Meeting: 2:30 p.m.**

**4:00 p.m. – 6:00 p.m.**

Middle School Parents: We're working on trying to schedule in some semi-regular opportunities for you to come and connect with Fellowship leaders and us with you! These are not indicative of any worry or concern – just born out of our desire to form a strong connection with you and your Middle Schoolers and make sure that we can share some of what's happening in Middle School Fellowship with you AND answer your questions, as well! If possible, we are asking that you swing by for a 2:30 p.m. meeting on 2/17 – it will wrap up in an hour or less to give time to get your Middle Schooler to the church, if needed. Please RSVP to Julie by emailing [jflowers@fbcbeverly.org](mailto:jflowers@fbcbeverly.org) if you can attend! Thank you so much!

Middle Schoolers: Kick off school vacation week with a relaxing afternoon with your Fellowship Family! We'll gather in the Youth Lounge for a laid-back movie day. We'll provide the movie, popcorn, and drinks. You bring along a favorite movie-watching snack to share – and a friend, if you want! Feel free to come in comfy clothes and/or to bring a sleeping bag, pillow, or blanket to get comfortable while we relax and watch!

Sunday, February 24<sup>th</sup>

Sledding (Weather Permitting!)

**4:00 p.m. – 6:00 p.m.**

We're hoping the weather will cooperate and bring us some snow so that we can sled... but, if it doesn't, Advisor Will Popadic has a great back-up plan that will have us all laughing and "figure skating" indoors! We'll put out the word as it gets closer – and we all see the weather – which activity we will be doing; but either way you can count on a lot of fun and hot chocolate! If we DO sled, please bring a sled or tube (if you have one) and make sure you dress to be outside!
