Virtual Children/Youth Sunday School

Our Virtual Sunday School for children and youth will be back in action in the Zoom room this Sunday, following a brief break over the last weekend!

After a great program year of learning about the Beatitudes, as well as working on special lessons throughout the Advent and Lenten seasons, we are now ready to spend the next few weeks working on our Children and Youth Sunday preparations. We will be working on making some art and doing some projects together in the virtual classroom as we look toward Children and Youth Sunday on June 13th *and* we will be looking to hear from all children and youth who would like a speaking role (which you will prerecord at home and upload for use in the service) in this service of worship. This is open to all of our young people, through high school age, and there can be as many speaking parts as those who would like one!

Please email Julie at jflowers@fbcbeverly.org if you would like to participate with a speaking (or musical!) role in the service for June 13th.

See you this Sunday at 11:15 a.m. in the Zoom classroom!

Youth Fellowships

Both Youth Fellowship groups are planning for in-person outdoor meetings as the weather gets nicer! All group members/families should please watch their email on Thursday for the weekly update from Julie with more information and all the details as we move through the coming weeks (as weather and other variables may affect programming!).

We are looking forward to our in-person programming outside with both groups as the Spring goes on and weather (hopefully!) keeps improving!

Sunday was a gorgeous day for Middle School and Senior High Fellowships to be back in action in person and outdoors! Middle School played some ultimate Soccer (a blend of ultimate frisbee and soccer!) and Senior High enjoyed some games, candy, art - creating mountains that represent the ways each of us has experienced and come through this sometimes-rocky year), and sharing in Concerns and Celebrations.

Thursday Morning Zoom Coffee Time

Come and gather around the virtual table for a time of connection, laughter, reflection, fellowship, and sharing! There is always room for more to gather, so come and pull up a chair with us!
