FBC Beverly Efforts to Support Ukraine

On Sunday, March 13, the Church Council voted to create opportunities for our church members and friends to support our neighbors in Ukraine. During the next few weeks, you will have the opportunity to provide financial gifts that we will share through a contribution to **One Great Hour of Sharing**.

To be candid, the first week of giving was a slow start and we've received two checks totaling \$600 and some loose cash BUT **we still have \$4,287 available for matching future contributions!** What an incentive to give with such an impactful match to help support our neighbors in need.

Reminder: You may give by mailing a check to the church or bringing a check or cash with you to an upcoming Sunday service. *Please make the check payable to First Baptist Church in Beverly.* Include the words "Ukrainian Relief" on the memo line. If you give during worship, please place your contribution in a One Great Hour of Sharing envelope, which you will find in the pews.

Thank you for both your prayers and financial contributions!

There will NOT be a church Clean-Up Day this Saturday.

We still plan to spruce things up, so members & friends are invited to join the Missions Committee Clean-Up Day on Saturday, May 21st.

Stay tuned for more details to come!

Word Searchers Reconvenes this Sunday

Our Word Searchers adult Bible study will resume this week after Sunday morning worship and the labyrinth dedication. Some members of the class may come in having spent three weeks meditating on the "seed parables" of Jesus, which are found in Matthew 13:31-34 and Mark 4:26-34. Others may come in without having given these parables too much thought. However you may come, we will be eager to hear what insights you gain from these curious teachings of Jesus. We may even take a stab at telling a few parables of our own!

FBC Beverly is a Community Partner with the Salem Film Fest 2022

**Support our featured selection, *River*
this Sunday, March 27th at 6:20 pm at The Cabot**

Throughout history, rivers have shaped our landscapes and our journeys; flowing through our cultures and dreams. Narrated by Willem Dafoe with a mesmerizing score performed by the Australian Chamber Orchestra and featuring additional music from William Barton, Jonny Greenwood and Radiohead, **RIVER** is an environmental thrill ride that transports you on a journey through space and time. Spanning six continents, and drawing on extraordinary contemporary cinematography, we observe rivers on scales and from perspectives never seen before. Its union of image, music and sparse, poetic script create a film that is both dream-like and powerful, honoring the wildness of rivers but also recognizing their vulnerability.
