Word Searchers this Sunday!

Our Word Searchers adult Bible study returns this Sunday at 11:30 am, in the Office Wing Conference Room with Dr. Daniel Johnson. This week we will start a new study of a very old text, that of the Hebrew Bible prophet named Amos. Our focus will be on the first two chapters of the book, where among other things we learn that Amos really liked counting to three and four. Please join us as we consider what all of his counting might mean for us today!

Save-the-date Rummage Sale!

May 6 & May 7

We're accepting donations beginning on Monday, May 2 so start your spring cleaning and set aside those gently-used items! The sale will accept lightly worn clothing and accessories, small household items, toys, games and sports equipment, as well as small appliances, kitchenware, & furniture. Remember, NO ELECTRONICS or appliances that cost money to dispose of.

In addition to donations, Rummage Sale Coordinator, Marty Lincoln will be looking for volunteers to help set up the sale space the week of the fundraiser and throughout the sale. If you are able to help Marty, please ring her at 978-927-3676.

In 2017, a group from FBC Beverly volunteered in Apatillo, Nicaragua and their experience gave them new insight into another way of life. At that time they recommended to the Mission Committee establishing a partnership with a local village, Apantillo (which we did). As a partner, funding was provided to the AMOS rural health program, through which a sustainable funding stream was developed for Apantillo and also gave FBC the opportunity to develop an ongoing relationship with them. This relationship extended from 2017 through 2020. Once again, the mission committee feels called to support and impact the everyday lives of those who live in this small village.

We are extending the invitation to the congregation to help support this one-year commitment with the hope to continue to be in relationship with Apantillo in the coming years. Your donation or pledge of any amount may be made through the church website donation button or by check, with a notation that it is for the support of AMOS.
